THE URBAN X-TREME MADE TO TAKE YOU ANYWHERE

TIG WELDED TECHNOLOGY

The URBAN X-TREME Series 2 is built to endure the hardest terrain. We have factored everything in to ensure you can go further than you ever dreamed possible. Along with the 4.2t Stage III Remote Air Bag Suspension and the huge 300mm Trussed Chassis you also have a Pressurised Dust Reduction System, Full Underbody Armour, Heavy Duty Rock Sliders and Front and Rear Recovery Hooks. Add to that our 4x190w Solar and Lithium Batteries. 3000w INVERTER AND 50amp DC TO DC CHARGER. The standard features on the X-Treme will satisfy the Hard-Core Adventurer. CHECK OUT OUR SPEC SHEET TO SEE WHY.
